

Hi Joyce,

My class in Singapore put up our Christmas tree from Tabitha the other week and I thought you might like to see a picture! We talked all about Cambodia and the amazing women at Tabitha who hand sewed each and every one of the beautiful Christmas balls we put on the tree.

Ever since we put the tree up outside the classroom, everyone walks by and comments on how beautiful it is! Hopefully they will all buy one the next time they're at Tabitha!

Have a wonderful holiday and please give my best wishes to everyone.

Sincerely,
